WHAT?

Are you an alumnus/a looking to connect with current University of St. Francis students? Sponsoring a "Dinner with Saints" is the perfect opportunity! You pick the location, date, time and number of students while we handle the student recruitment and logistics.

WHY?

We are looking for alumni to host up to 10 current students at your home or an off-campus restaurant of your choice where you and the students can interact and network. It's a great opportunity to discuss career interests, offer professional advice and share USF experiences.

WHO?

You may select the type of students you wish to invite! Are you interested in students from a particular major of study or those who participate in a particular sport or club on campus? You choose the criteria and we will invite the students.

WHEN/WHERE?

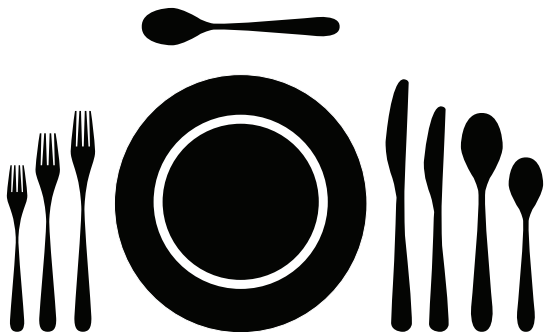

We may be able to arrange bus transportation for our students to the venue if enough advanced notice is given. We ask that you provide us with at least four weeks notice of when you would like to host the dinner. Please be considerate of the distance of the home/establishment from USF's Joliet campus.

SPONSORSHIP

Dinner hosts are encouraged to co-host with another USF alumnus/a, too! "Dinner with Saints" is alumni-sponsored and is considered a gift-in-kind to the university.
